### Vinyl Logo Stickers

I have purchased two types of vinyl stickers for car, windows, paddles, or to use however you wish!

**#1** – Is from the local printer; dye cut and laminated. I ordered only six to test. I will order more based on response. The picture is not sharp because there is a film over the image as part of the vinyl sheet. The diameter is 6 inches.

	<p>The cost is \$7.00/ each  First come-First serve; Limit 1/person  Only six currently available.  All others will comprise the next order.  Please contact me via InstaTeam private/individual message.</p>

**#2** –Was ordered as a bulk purchase of 50. The diameter is 4 inches.

	<p>The cost is \$1.00/each  Limit to 2/person. All others will comprise the next order.  Please contact me via InstaTeam private/individual message.</p>

**MAGNETS:** If you'd like a magnet, let me know and I'll put together an order and let you know current cost.

## Decals

In researching dragon boat decals I'd seen on my travels, I was thrilled to come across "The Sunnyside Up Life". The business is a start up established by a member of Charlotte Harbor Dragon Boat Club [Sarasota] and friend.

I have purchased a sampling to make available to you. I currently have 4 each of the following. If response is good...will get more!

Also vinyl, "UV and Dishwasher Safe"  
Each is about 4 inches in diameter;  
"One Boat, One Stroke" is 7 inches.  
Cost: \$3.00 ea.

***First Come! First Serve! One per Person

Check out The Sunnyside Up Life website, but there are other really cute designs and the inventory is growing. Please check out <https://thesunnysideuplife.com/> for examples.

Here are the other current dragon boat designs that are not on the website. I will gladly be the point person for another group order to include all the designs [above and below] to take advantage of discounts or special pricing. **Private message me via InstaTeam to order.**
